Sir:

RESPONSE TO NOTICE OF
DRAWING INCONSISTENCY WITH SPECIFICATION

In response to the Notice dated August 27, 2004, the period for response to which extends through September 27, 2004, Applicants respectfully request a withdrawal of requirement of correction to the instant patent application in view of the following remarks.

The Notice indicates that the drawings filed November 21, 2003 are inconsistent with the Brief Description of the Drawings in the specification. Specifically, the Notice alleges that FIG. 11 is listed in the Brief Description of the Drawings in the specification but not contained in the Drawings. Therefore, the Notice requires to correct the inconsistency. Applicants respectfully disagree.

Applicants respectfully submit that the documents filed November 21, 2003 in

connection with the instant patent application are (1) Response and Request for Reconsideration Transmittal Form, (2) Response and Request for Reconsideration in response to Office Action dated October 3, 2003, (3) Terminal Disclaimer to Obviate a Double Patenting Rejection, (4) Verification of A Translation Form, and (5) Verified English Translation of Korean Patent Application No. 1996/41779.

Further, Applicants respectfully submit that the Drawings and specification filed November 21, 2003 belong to document (5), which is the verified English Translation of Korean Patent Application No. 1996/41779 but not any substitution of the instant patent application. Furthermore, the Drawings of the document (5) do not include FIG. 11, and FIG. 11 is also not listed in the [BRIEF DESCRIPTION OF THE DRAWINGS] in the specification of the document (5).

In addition, FIG. 11 is included in Applicants' original Drawings and specification filed on March 28, 2000.

Accordingly, Applicants respectfully request withdrawal of the requirement of the correction of the inconsistency. If there are any other fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 50-0310.

Respectfully Submitted,
